

Shelf Brackets

Accentuate your interiors with our new collection of stylish shelf brackets. Channelling a minimal aesthetic and focusing on flawless contours, the range features three solid brass brackets, each in two sizes to support marble and wooden wall shelves.

Beautifully suited to kitchens, pantries and beyond, the wall brackets come in a choice of over 20 exquisite finishes, meaning you can effortlessly match your existing hardware for a uniform look throughout.

Whether you opt for distinctive matt black to amplify a monochrome aesthetic or choose radiant polished brass to bring a little luxury to your space, our brass shelf brackets promise to instantly enhance the look of styled shelving.

Harborne

Designed by Guild Anderson for Armac Martin, the Harborne Shelf Bracket is a covetable choice to support bespoke marble and wooden shelving. The front shelf edge rests seamlessly upon a lipped curve to stylishly support custom-made wall shelves. With matching screws or caps supplied for installation, the solid brass brackets are available in two sizes to meet your requirements.

Choose from over 20 impeccable brass finishes to enhance the look of your interior shelving in kitchens and beyond.

- Made from solid brass
- Hand-finished
- Matching screws and caps supplied
- Requires a bespoke shelf due to the lipped curve design
- Loading capacity per bracket: 30kg
- We recommend using a certified tradesman for installation
- Small dimensions: 243mm (H) x 25mm (W) x 190mm (Y) with 218mm Centres
- Large dimensions: 315mm (H) x 25mm (W) x 250mm (Y) with 290mm Centres

Stirchley

For a contemporary and utilitarian appeal in kitchens, pantries and beyond, look no further than the Stirchley Shelf Bracket by Armac Martin. Formed with simplistic straight lines, this solid brass shelf bracket is an immaculate choice to support marble and wooden wall shelves. With matching screws or caps supplied for installation, the brackets are available in two sizes to meet your requirements.

Choose from over 20 impeccable brass finishes to enhance the look of your interior shelving in kitchens and beyond.
